LUTHERAN CHURCH – CANADA

Our Order of Service

The Divine Service will follow Setting One, beginning on page 151 in *Lutheran Service Book*. The bulletin insert provides the parts of the service that are specific to today, **The Nineteenth Sunday after Pentecost**.

Visitors to the Lord's Table

"During its administration, the body of Christ is given to you in particular with the bread, and the blood with the wine; while you in particular are told that His body was given for you and His blood was shed for you. This is done so that you do not doubt, but appreciate this sacrifice as your very own, because it is placed into your mouth and made your own, to eat and drink for yourself only" (Martin Luther). At the same time that we individually receive **the Lord's Supper**, we testify together that we are united in doctrine. For this reason, we practice closed communion; and guests desiring to commune are thus asked to speak with the pastor to arrange for a time of instruction before joining us in the Lord's Supper.

LCC TogetherOne – Strengthening Congregations to Bear Witness to Christ

Healthy congregations are at the heart of a healthy church. Together One will help congregations strengthen their ministry of Word and Sacrament, grow in catechesis and discipleship, and respond faithfully to the challenges and opportunities before them. This means providing resources for congregations at different stages in their life and ministry, strengthening congregational vitality, and encouraging faithful teaching and catechesis. Our goal is not simply to maintain congregations. It is congregations equipped to make disciples and faithfully confess Christ.
