LUTHERAN CHURCH – CANADA

Our Order of Service

The Divine Service will follow Setting One, beginning on page 151 in *Lutheran Service Book*. The bulletin insert provides the parts of the service that are specific to today, **The Feast of St. Luke, Evangelist**.

Visitors to the Lord's Table

St. Luke was a Gentile by birth, a physician by trade, an early convert to the Christian faith, and a companion of the apostle Paul on his missionary journeys. The symbol for St. Luke is a winged ox, suggested by the reference in Revelation 4:6-8 as representing the Gospel he wrote which emphasizes the healing of souls through the sacrifice of Jesus and the spread of the message of Christ crucified in all the world. As we receive the healing of our souls today by partaking of Jesus' very body and blood in the **Lord's Supper**, we are also proclaiming His death to all the world. Since this proclamation is an expression of our common faith in the Gospel, we practice closed communion. Guests are thus asked to speak with the pastor to arrange for a time of instruction before joining us in the Lord's Supper.

LCC TogetherOne – Bringing the Gospel Where God Is Opening Doors

For decades, the mission field was always considered to be “out there”. Today, that mission field is increasingly coming to us. Language ministry, First Nations ministry, new mission opportunities, and pastoral care in under-served communities are not distractions from our congregations. They are opportunities to bring Christ and His gifts to people who need them. Together One will reach into our largest urban centres where a confessional Lutheran presence is limited, support indigenous communities asking for pastoral care, share the Gospel to newcomers in their heart language, and walk alongside our smaller, remote communities, where faithful Lutheran ministry is limited or unavailable.
