LUTHERAN CHURCH – CANADA

Our Order of Service

The Divine Service will follow Setting Three, beginning on page 184 in *Lutheran Service Book*. The bulletin insert provides the parts of the service that are specific to today, **The Sixth Sunday after Pentecost**.

Visitors to the Lord's Table

1 Corinthians 10:16 calls our eating and drinking of the sacramental bread and wine an actual sharing in the body and blood of Christ. His very body and very blood are really present in the **Lord's Supper**. According to the Word of God, there is also a doctrinal oneness testified to by the common reception of this Sacrament. With love for His Word and for all people, we therefore ask guests desiring to commune to kindly speak with the pastor to arrange for a time of instruction before joining us in the Lord's Supper.

Dr. Luther in Southeast Asia... Aug 08 at Grace Oshawa

Dr. Michael Lockwood will lead a seminar on “Bringing Joy and Freedom”. Dr. Lockwood is an expert idolator! He is the author of “The Unholy Trinity: Martin Luther against the Idol of Me, Myself, and I” and has reflected deeply on what it means for the Triune God alone to be our God, in contrast to all the things we so often put in His place. He now teaches systematic theology and Luther studies at China Lutheran Seminary in Taiwan. He was born and raised in Papua New Guinea as part of a Lutheran missionary family, spent many years serving as a Lutheran pastor in Australia, and has taught in many countries across the Asia-Pacific region. He is passionate about mission work and has focused on training pastors and other church workers, to equip them to bring the Good News to all nations. To register, go to www.GraceLutheranOshawa.com.

Concordia Lutheran Theological Seminary 50th Anniversary... Oct 19-21

CLTS St. Catharines has announced the celebration of its 50th Anniversary during the 2026-2027 academic year. Marking a half-century of theological education and service to the Church, the seminary will host a series of events centred on the theme “Forming the Future.” The theme signals the seminary’s commitment to theological truths of the Evangelical Lutheran Church while equipping future pastors and church leaders for the evolving cultural landscape of the 21st century.

Registration is now open for the highlight event of the anniversary year. This three-day festival features a multi-faceted programme designed to engage the Lutheran community, including: Seminary Open House; Alumni Reunion; Festival Service; and Theological Conference. Titled “Respectful Theological Dialogue in the Internet Age”, this conference will explore the challenges and opportunities of maintaining faithful theological conversations in a digital world.

The conference is open to pastors, church workers, and laity. To accommodate an international audience, the event will be held at the Americana Resort & Spa in Niagara Falls, providing a beautiful backdrop for study and fellowship.

Conference attendance is fully funded for pastors and deacons of Lutheran Church-Canada’s East Region. A variety of paid registration options is available for other guests. See the event page for further information and registration links: www.concordia-seminary.ca.
